GitHub: <https://github.com/FenixDevOps>

Professional Summary

Aspiring Software Engineer with strong knowledge in Data Structures & Algorithms, OOPs, DBMS, SQL, and Web Development. Skilled in Python, Java, and Machine Learning with experience in building software solutions. Passionate about problem-solving, backend development, and contributing to technology projects.

Technical Skills

Programming: Python, Java, C, C++

Core Computer Science: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOPs), DBMS, Operating Systems, Computer Networks

Data Visualization & Analytics: Power BI, Tableau, Excel, Dashboard Development, Data Visualization

Databases: MySQL, SQLite, SQL Queries, Joins, Normalization, Database Design

Web Technologies: HTML5, CSS3, JavaScript, REST APIs

Tools & Frameworks: Git, GitHub, REST APIs

Education

Bachelor of Technology (B.Tech), Computer Science & Engineering

2027 - Expected

Malla Reddy Engineering College, Maisammaguda || CGPA: 8.73

Intermediate (MPC)

2023 – Completed

Telangana State Model Jr College, Valigonda

High School (SSC)

2021 – Completed

Telangana State Model School, Valigonda

Projects

1. Blockchain-Based Supply Chain Traceability System

Tech Stack: Blockchain, HTML, CSS, JavaScript, Database

GitHub: <https://github.com/FenixDevOps/Blockchain-based-Supply-chain-Transparency-for-Agricultural-Procedure>

- Developed a blockchain-based system for secure product traceability in supply chains.
- Improved transparency, trust, and fraud prevention in supply chain operations..

2. DesertVision AI – Intelligent Offroad Semantic Scene Segmentation System

Tech Stack: Python, Computer Vision, Deep Learning, Semantic Segmentation

GitHub: <https://github.com/FenixDevOps/DesertVision-AI>

- Developed a hackathon project for off-road scene understanding using semantic segmentation.
 - Designed AI-based detection of terrain, obstacles, and safe navigation paths.
-

Certifications

- Certificate of Internship Completion — Micro IT Services (Web Development Intern)
 - NPTEL Certification – C Programming Language
 - Azure AI Fundamentals – Microsoft
 - IGNITE 2K26 – National Level AI Hackathon Participation Certificate (Hack With India, Malla Reddy University, April 2026)
-

Achievements

- Solved 100+ DSA problems on LeetCode: [Mani_goud_8885 - LeetCode Profile](#)
 - IGNITE 2K26 – National Level AI Hackathon Participation (Malla Reddy University, April 2026)
-
